

Expatria

Mobility Redefined

ABOUT US

Expatria is a leading service provider of expat management services like Visa, FRRO, Fleet, Relocation, **Interior, Tenancy and Travel Management**. Expatria was established in July 2008 as Meera Samuh and with its experience and expertise in the above domains, has successfully catered to Expats from more than 50 different countries till date.

Expatria ensures quality services for all the Business partners and works with them in undertaking various expat management challenges. We advise and work for hassle free relocation to India and make sure that the expats focus on their core competencies exclusively rather than facing challenges in the global movement.

We offer a PAN-India service infrastructure with the presence in major metropolitan cities and several regional offices in remote locations. Team Expatria works diligently with business partners to ensure a comfortable and joyous relocation.

VISION

To be the most dominant Expat management company in India for Expats around the world to settle in India for work, business or leisure by providing them quality and cost-effective services.

MISSION

Creating a transparent and long-lasting relationship with our business partners with adherence to moral values and work ethics. Advising expat families to settle in an unfamiliar environment and uniting residents from different nations by bridging gaps and building bonds of togetherness and comfort.
